Re: GFY Realty Corp  
Adjournment Request  
Doc. #: 21-10078

Dear Judge Sherwood:

Please accept this letter as a request for an adjournment of the conference and confirmation hearing scheduled for October 5 2021.

I have been having discussions with my client's sole creditor adversary regarding resolution of the disputed proof of claim and possible amendment to my proposed plan Both Debtor and Creditor believe additional time is necessary to flush out the issues in dispute and come to a resolution to this bankruptcy proceeding without further litigation prompting this request for an adjournment to Oct 5 2021 at 10 AM .

Both side have also addressed this to the Trustee and all consent to the requested adjournment to Oct 5 2021 at 10 AM . I respectfully submit this request and await your decision.

Very Truly Yours
